

ADDENDUM 1

BID #22-07

Purchase of Musical Instruments

Question from Bidder for clarification:

1. For the French horn (line #20) ...need to find out if they want a single French horn, or a double French horn. Since it's for middle school, possibly a double, then it would be a JHR1100.
Yes, double, Jupiter JHR1100 (or equivalent)
2. As far as the piccolo (line #48)...if it's for the marching band, they will probably want the YPC-32, which is plastic, since you don't want to be outside with a wood instrument. But if it's for concert work, probably the YPC62 wood.
Yes, Yamaha YPC62 (or equivalent)
